

| Product Name | LSP Sustainable Product Features | LEED® Category | Credit | LEED® Description |
|---|---|----------------|--------|---|
| N2 Flooring (ALL) | Composite Design, Zero VOC, Zero HAP | ID | 1-1.4 | Innovation and Design |
| Grid-Lock™ Ceiling Systems (Grid; Panel Only) | Extraordinary System Life Cycle | | | |
| Epoxy Based Systems (ALL) | <150 Grams/Liter VOC | EQ | 4.1 | Low-Emitting Materials: Adhesive Sealants |
| N2 Flooring (ALL) | <150 Grams/Liter VOC (Zero VOC and HAP) | | | |
| Epoxy Based Systems (ALL) | <150 Grams/Liter VOC | EQ | 4.2 | Low-Emitting Materials: Paints & Coatings |
| N2 Flooring (ALL) | <150 Grams/Liter VOC (Zero VOC and HAP) | | | |
| Sani-Rail (All Aluminum) | ≥ 75% Recycled Content | MR | 4.1 | Recycled Content: 10% (post-consumer + 1/2 pre-consumer) 51 |
| Sani-Rail (All Stainless Steel) | ≥ 67% Recycled Content | | | |
| Jamb Guards (ALL) | ≥ 67% Recycled Content | | | |
| SS Corner Guards (ALL) | ≥ 67% Recycled Content | | | |
| File Stations | ≥ 75% Recycled Content | | | |
| Special Metal Fabrication | ≥ 75% Recycled Content | | | |
| Grid-Lock™ Ceiling Systems Bio/CR Series* | ≥ 52% Recycled Content | | | |
| Grid-Lock™ Wall Systems Bio/CR Series* | ≥ 52% Recycled Content | | | |

| Product Name | LSP Sustainable Product Features | LEED® Category | Credit | LEED® Description |
|---|---|----------------|--------|--|
| Sani-Rail (All Aluminum) | ≥ 75% Recycled Content | MR | 4.2 | Recycled Content: 20% (post-consumer + 1/2 pre-consumer) 52 |
| Sani-Rail (All Stainless Steel) | ≥ 67% Recycled Content | | | |
| Jamb Guards (ALL) | ≥ 67% Recycled Content | | | |
| SS Corner Guards (ALL) | ≥ 67% Recycled Content | | | |
| File Stations | ≥ 75% Recycled Content | | | |
| Special Metal Fabrication | ≥ 75% Recycled Content | | | |
| Grid-Lock™ Ceiling Systems Bio/CR Series* | ≥ 52% Recycled Content | | | |
| Grid-Lock™ Wall Systems Bio/CR Series* | ≥ 52% Recycled Content | | | |
| *All LSP Products | All LSP Products are manufactured in the USA. Please contact LSP for each products point of manufactured zip code | MR | 5.2 | Regional Materials: 20% Extracted, Processed & Manufactured Regionally |

Notes:

Recycled content varies depending on the Grid-Lock™ system(s); please contact LSP for the published recycled content .
Points of manufacturing varies on some SeamTek systems, please contact LSP for project specific material for manufacturing location(s)

LSP Sani-Rail™ point of manufacturing is Comus, Md. 20871 USA

LSP Grid-Lock™ System (**panels**) point of manufacturing is Springfield Ill. 62703 USA

LSP Grid-Lock™ (**Suspension Grid**) point of manufacturing is Sun Prairie WI. 53590 USA
