TABLE WORX

Better from the start.
Premium quality at its core,
TableWorx™ is designed to be
super strong and rigid with features
a traditional worktable can't touch.

Limitless Performance.
Augment your process with a full
array of options that can be added
initially or as your process evolves.

Available in
Stationary or
Mobile.

**Adaptive worktables that
maximize efficiency above
& below the surface.**

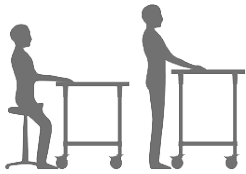

Metro TableWorx™ starts with a premium worktable and, if you wish...allows you to transform it into a space that works for you. Add a series of over shelves, an accessory grid, hooks, baskets, drawers, or casters to keep all your supplies easily accessible and the surface clutter free. Plus, all Metro TableWorx have six adjustment heights to meet your ideal working comfort zone.

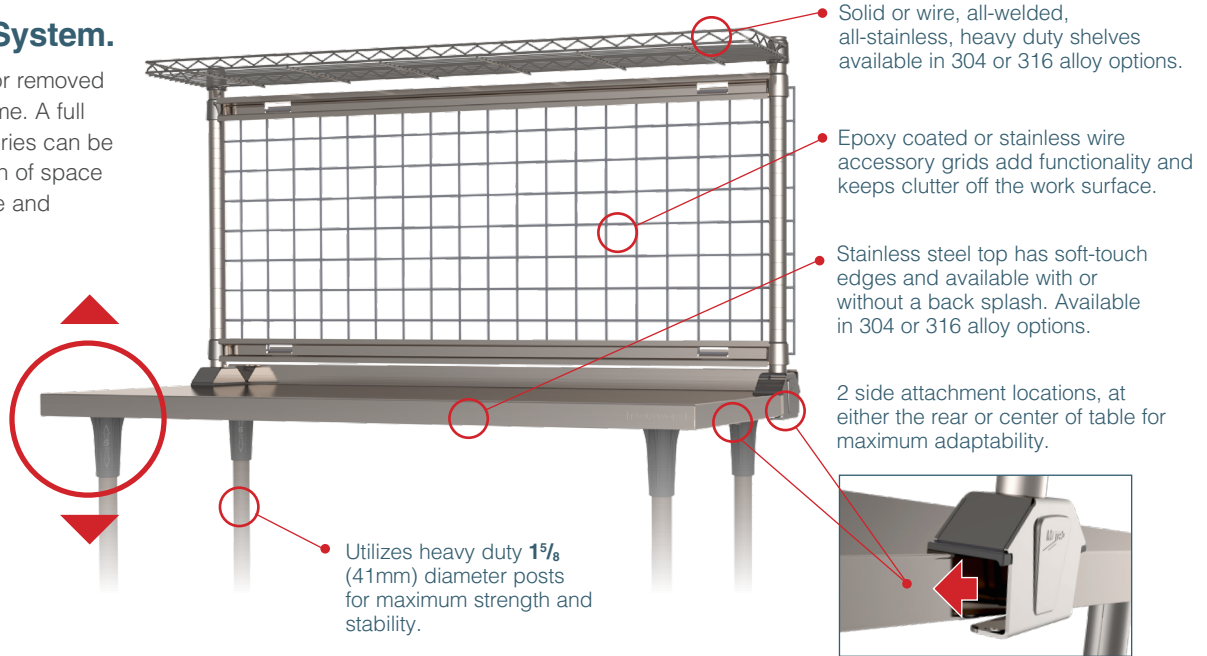

A level above.

Easy Install Riser System.

Riser system can be added or removed to any TableWorx™...at any time. A full array of shelves and accessories can be added to maximize every inch of space making you more comfortable and productive than ever before.

6 ADJUSTABLE
Working Heights
34" — 39"
(864mm – 991mm)

Solid or wire, all-welded, all-stainless, heavy duty shelves available in 304 or 316 alloy options.

Epoxy coated or stainless wire accessory grids add functionality and keeps clutter off the work surface.

Stainless steel top has soft-touch edges and available with or without a back splash. Available in 304 or 316 alloy options.

2 side attachment locations, at either the rear or center of table for maximum adaptability.

Utilizes heavy duty 1⁵/₈ (41mm) diameter posts for maximum strength and stability.

The possibilities are endless.

Styles

Standard:

304 heavy-gauge stainless steel surfaces, with Metroseal Gray epoxy coated posts and polymer adjustable top mounts.

All-Stainless:

304 heavy-gauge stainless steel surfaces, 304 stainless steel posts and adjustable top mounts.

Type 316 All-Stainless:

316 heavy-gauge stainless steel top, optional 316 cantilevered over shelves, 304 stainless under shelf, 304 stainless steel posts and adjustable top mounts.

Note: Accessory grids accept Metro SmartWall® accessories. See metro.com for available accessories.
