32" - 34"

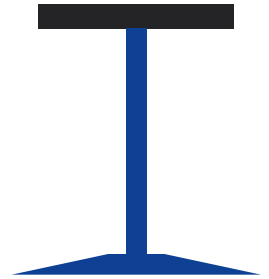

STOOLS

Bench-to-Counter Heights

35" - 42"

STANDING WORK PERCH STOOL SEATING

9454

Fin

Flex

A high percentage of research and technical workers spend a large portion of their day standing on their feet with a high degree of fatigue and health concerns.

Perch Stools offer companies an excellent way for their workers to rest their bodies while still achieving work and productivity. Most importantly, the overall day-to-day health of their workforce is better supported and enhanced.

BACKLESS EXAM-STYLE SEATING

BACKLESS STOOLS

- Standard Lab Grade
- Cleanroom Level 1
- ESD Capable
- 4 Color band choices around the seat
