Offer Eligibility and Redemption:

Free offer is a choice of 2 options, either a free 50g Class 1 ISO 17025 calibration weight OR 6 boxes of disposable pans + 3 boxes of glass fiber pads. Offer is valid for end-users only, located in the USA and Canada. To qualify, you must purchase a new OHAUS MB32, MB62, or MB92 moisture analyzer from an authorized OHAUS dealer between April 1, 2025 and June 30, 2025. Claim your free gift by submitting an online redemption form at www.OHAUS.com/MB-Pick-Your-Gift by July 18, 2025 and include your invoice or other proof of purchase. If the calibration weight is chosen, the name of the certificate holder must be indicated on the redemption form.
